

THE EYEPIECE August 1989 Vol. 1  
Number 10

PUBLISHED BY: Neville Public Museum  
Astronomical Society, 210 Museum  
Place, Green Bay, WI 54303

MEMBERS :47

MEETINGS : 4th Wed. of month,  
(except June, July, & Aug.) 7-9  
p.m. at Neville Public Museum in  
Green Bay.

OFFICERS : Pres. Ron Parmentier  
VP George McCourt  
Sec. Stan Sukowaty

#### UPCOMING EVENTS:

Aug 16 : Don't forget the total  
LUNAR ECLIPSE. Umbra starts at 8:21  
p.m. CDT. The Parmentier  
Observatory is open for those who  
wish to photograph from there. If  
that is inconvenient for you, form  
your own group (always more  
rewarding as a group) and then all  
can report and/or show photos at  
the September meeting.

MILWAUKEE ASTRONOMICAL SOCIETY will  
hold "Public Open Houses" at its  
observatory. A short talk will be  
given & everyone will be able to  
observe through their telescopes.  
"Open Houses" start at 8:00 p.m.  
For those of you who might be  
interested, here they are:  
Aug. 25 "Constellations" (learn  
about the constellations and the  
stories behind them.)

Sept. 15 "Telescopes" (they will  
discuss various types and how they  
work and their different uses.)  
Sept. 29 "The Milky Way" (they will  
talk about and look at part of our  
home galaxy.)

Oct. 13 "Double Stars"

If you need a map to the  
Milwaukee Observatory, get one from  
Ron Parmentier at the meetings or  
call him at 336-5878 and he'll mail  
you one.

If you haven't yet looked for the  
new comet, BRORSEN-METCALF 1989o, do  
so. At the time of this printing  
it should be 6th magnitude. Refer  
to the attached map for positions.  
If you need the R.A. and Dec., you  
call Ron Parmentier at 336-5878 and  
he'll run it on the computer for a  
particular hour and day.

If you care to watch live the  
VOYAGER encounter with NEPTUNE on  
Aug. 24-25 at the Fox Valley Center  
in Menasha,  
call Ron Parmentier and he'll mail  
you a registration form.

NEWSTAR (Astron. group in Menasha)  
is going to have their 3rd Annual  
Picnic with Star Party and camp out  
on Sat. Aug. 26 from 3:00 p.m. to  
?. It will be at High Cliff State  
Park Group Camp Site B. If you  
would like to meet and socialize  
with our other valley astronomy  
club, call Ron Parmentier for  
particulars. (map etc.)

ELECTION news -Something you should  
think about for the September  
membership meeting. We will be  
electing a new board in October.  
What we need are the names of  
members who would like to be on the  
slate. There is no limit to the  
number on this slate. You can  
nominate yourself. If you want to  
get in on the workings & policies  
of the club, this is where you  
should be, on the board.

The general membership will  
vote (in person or by mail) in  
October for 9 only from the slate  
of candidates. These 9 members of  
the board will then meet before the  
November meeting and it is they who  
will select the club president,  
vice-president and secretary for  
the coming year 1990.

ALCON '89 report: Ron Parmentier,  
George McCourt and Stan Sukowaty  
report that the convention was a  
great success and all had a good  
time. Ron Parmentier took 12 hours  
of video tape of the convention  
speakers. A list of topics will be  
handed out at the September  
meeting. If the club would like to  
see any of these, we will use them  
at the monthly meetings.

ASTROFEST '89: If you need forms  
for the Astrofest Convention in  
Kankakee, Ill. on Sept. 8-10 call  
Ron Parmentier at 336-5878 and  
he'll mail you the registration  
form.

FOR SALE: Edmund Astroscan (4.5"  
reflector) for \$150. Call Don  
Wyman at 414-233-3083 OshKosh.
